Charming Three-Bedroom Ranch on Nearly an Acre of Private, Tranquil Land Welcome home to this warm and meticulously maintained three-bedroom, one-bath ranch nestled on almost an acre of land. Designed with comfort and functionality in mind, this home offers an inviting open-concept layout perfect for modern living. The spacious eat-in kitchen overlooks a generous living room, which has been pre-piped for the easy addition of a pellet or wood-burning stove—adding cozy potential for chilly evenings. A formal dining room opens onto a large backyard deck, ideal for relaxing or entertaining guests. All three bedrooms, the full bathroom, and a conveniently located laundry room are thoughtfully situated on a single floor for easy living. The full walk-out basement leads to a secluded wooded lot, providing a great space for gatherings. With a French drain already installed, the basement offers endless possibilities for finishing it into a lower-level family room, recreation area, or home office.
